

## Château de Barbe - Chapelle de Barbe

### Vineyard

On the right bank of the majestic Gironde estuary, Château de Barbe spreads its vineyard over 66 hectares from the top of the hillsides to the river. Dating from the 14th century, the estate has belonged to the Richard family since 1993. The quality of the terroir and the winemaking work reveals the fruitiness, fleshiness and elegance of the wines, which regularly receive distinctions. Bordeaux Supérieur is grown on vines located on the banks of the Gironde on Palus lands which give it freshness and softness.

### Tasting

Deep ruby color. Intense nose of black fruits with nuances of blackcurrant and blueberry, enhanced by some delicate floral notes. On the palate, the wine is balanced, both fleshy and with a nice depth on a lingering finish. A resolutely expressive wine.
