

## Aloxe Corton Les Chaillots Louis Latour

### Description

Aloxe-Corton is the cradle of the Latour family, involved in the affairs of the town for more than three centuries. Domaine Louis Latour controls more than 90% of the total surface area of this Premier Cru, centered around the famous Château and the Corton-Grancey winery. These vines constitute an important part of Domaine Louis Latour. The name "Les Chaillots" refers to the stony soil of this vineyard. The wines of Aloxe-Corton are an alliance between the finesse of the wines of the Côte de Beaune and the powerful velvety of those of the Côte de Nuits.
