

Pinot Noir Louis Latour

Description

• Fruit of a long history, Burgundy and its wines are renowned throughout the world. Pinot Noir is an indigenous grape variety, that is to say originating from this region. Burgundy Pinot Noir is a regional appellation for which the wines come from various parts of Burgundy. This wine has the characteristics of lovely Burgundy wines.

Winemaking & Aging

- Fermentation

Traditional in open vat, 100% malolactic

- Breeding

10 to 12 months in stainless steel vats

- Tasting note

With a dark ruby color, our Burgundy Pinot Noir 2022 reveals a discreet nose of red fruits and spices. Its mouth, round and fresh, is balanced highlighting aromas of licorice and blackcurrant.

- Food/Wine Pairing

Grilled meats - mature cheeses

- Service temperature 14-15°
