

Cave des Vins de Sancerre - Les Broux

Vineyard

The Cave des Vins de Sancerre vineyard extends over 15 communes and 3,000 ha, including 80% Sauvignon blanc and 20% Pinot Noir. The terroir is made up of three types of soil: white earth, clots and clay-siliceous soil. Thanks to the grapes coming from all these villages and all these types of soil, the cooperative makes superb blends.

Winemaking

Vinification at low temperature in thermoregulated stainless steel vats. Aging for 6 months in stainless steel vats. Tasting

This Sancerre has a pale gold color. It reveals citrus notes (orange, grapefruit and lemon) which blend delicately with fruity aromas and a mineral touch. On the palate, it is lively, rich, creamy, with a beautiful finish.

Serve it at 10-12°C with pork, shellfish, Indian or Vietnamese cuisine, a vegetarian dish, or goat cheese or Crottin de Chavignol.

Alcohol 12.5°

L'abus d'alcool est dangereux pour la santé. A consommer avec modération. La consommation de boissons alcoolisées pendant la grossesse, même en faible quantité, peut avoir des conséquences graves sur la santé de l'enfant
