

Château La Mission Haut-Brion 2012

Noble red wine from Pessac-Léognan, Château La Mission Haut-Brion offers aromas of licorice and black fruits, a dense mouth with fine tannins and a fresh finish. It goes perfectly with red meats, game and poultry dishes. An exceptional Bordeaux grand cru 2012. 97/100 Parker

Château La Mission Haut-Brion 2012 presents notes of great maturity such as licorice, but also notes of freshness, such as menthol.

Fruits and a slight woodiness of oak complete this aromatic complexity. The alcohol level is once again high and gives the wine a sort of lightness, an airy side. But you should not rely on it because the wine is very powerful.

The tannins are coated, leaving an impression of softness, the taster is under the spell. There is great balance and harmony in this wine. It is also marked by a very good length, the prerogative of great wines.
