

La Demoiselle sans Gêne

Vineyard

The estate is located in the town of Aix-en-Provence, west of Pouricard. It extends over 34 hectares of vines, but also cereal and fodder land and a few olive trees. The estate has been certified in organic farming for around 10 years. It faces south and benefits from a bright sky on a site where the Romans planted the first vines.

Winemaking

Vinification takes place at low temperature. After direct pressing, settling and fermentation at 14-16°C, the wine is then aged in vats.

Tasting

This wine has a pale color and a peach nose. It is crunchy, fresh and delicious.

It is best served chilled, at 8-10°C, with Mediterranean or exotic cuisine with powerful aromas but also with beautiful Corsican charcuterie, salads, grilled meats, or fish soup.
