

Domaines Ott - Chateau Romassan

Vineyard

Chateau Romassan produces great wines, typical and characteristic of the Bandol appellation. Located to the west of the Var, the estate is made up of 80 hectares of vines averaging 25 years old. It was acquired in 1956 by Marcel Ott and his children. Made up of limestone, sandstone and marl, nourished by gravel, this unique land, associated with the sun-kissed and particularly dry microclimate, produces elaborate and powerful wines for aging.
